**Monday June 1, 2026**  
**Out Door Country Club**

**Easterseals Western and Central Pennsylvania is leading the way to 100% equity, inclusion, and access for people with disabilities, families and communities.**

# Mission Sponsor

Easterseals Western and Central Pennsylvania provides life changing programs for individuals with disabilities and for children of military families. York, Lancaster and Harrisburg area families are provided recreation and camping opportunities throughout the year. These experiences support individuals with disabilities in living their best life and engaging with their communities. Children in military families have opportunities to camp and explore new activities while sharing their similar experiences with other military kids.

Club Lily is the residential camp for adults with disabilities offered year round. With weekend camps throughout the year and a five day camp in the summer, participants improve their social skills, physical wellness and overall health. Hanging with their friends and trying out the zipline are some favorite activities.

The weekly bowling program is offered in York, Dauphin and Cumberland counties. Bowling is open to children and adults with disabilities and is available year round. Many families have participated in the bowling programs for over 10 years! They celebrate birthdays and holidays all year.

Project Beacon is one of our military camps offered twice a year (Spring and Fall) where kids from any military family, active, reserve, or veteran can attend. Activities like archery, hiking, rock wall climbing and zip lining give our participants an opportunity to achieve new goals and learn leadership skills. Sharing these activities with other kids in similar circumstances gives them a safe space to share their thoughts.

Day Camp is offered to children ages 5 -21 with disabilities throughout the summer. Each week is a new theme filled with crafts and activities. Day Camp is available weekly for six weeks beginning in June.

**YOUR SUPPORT KEEPS THESE PROGRAMS AFFORDABLE FOR FAMILIES!**
